

Gilmer Canine Companion Zone Rules & Etiquette

Rules

Keep your dog (s) on a leash until you are inside the CCZ.

While inside the CCZ, keep one leash per dog with you at all times.

All dogs in the CCZ must wear a current rabies tag. The pooch tag also needs to be worn on the dog or may be carried by the dog owner and in plain view at all times.

Always clean up after your dog (s). Owners are to remain in the CCZ with their dogs (s) at all times.

You are responsible for the behavior of your dog (s).

Dog (s) exhibiting aggressive behavior are the responsibility of the owner.

The CCZ is unsupervised. Use at your own risk. Indy Parks is not responsible for any injury or damage to you or your dog (s).

In the event of an emergency that requires immediate attention, call 911.

Children & dogs

Please remember that the CCZ was created solely for dog owners to allow their dogs to run freely off leash.

You will want to teach your children how to behave around dogs before you bring them into the CCZ.

Not all dogs are child friendly or accustomed to being around children. Children are easily run over or knocked down by running dogs.

Dogs may nip at children in an attempt to herd them.

Children who run and scream may become a target for the dogs.

Never allow your children to approach or pet a dog without the owner's presence and consent.

Please do not allow children to play on the agility equipment.

Etiquette

The following are suggestions to ensure the safe usage of the CCZ.

Check all entrances before unleashing your dog to ensure that park gates are closed behind you.

Please do not let others come in under your gate access card.

Indy Parks recommends that users not smoke or eat while in the CCZ.

Be prepared to share your dog's toys if you choose to bring them into the CCZ.

Please do not allow your dog to dig.

Indy Parks recommends that users bring no more than two dogs per person.

Please be respectful of posted hours.
