

2022 Images of Nature

Photography Exhibit and Competition

You are invited to participate in the 2022 Images of Nature Photography Exhibit and Competition sponsored by the Eagle Creek Park Foundation and presented by the Riviera Camera Club. This exhibit and competition are open to all amateur and professional photographers who reside in Indiana. Please read the following entry information carefully.

Calendar of Events

Hand-delivered entries and entry forms due at Earth Discovery Center, Eagle Creek Park. Entries will not be accepted at any other location. ENTRIES WILL NOT BE ACCEPTED AFTER September 18, 2022. In addition to your entry forms, remember the additional form required by the Indianapolis Parks Department. If you have questions or need other assistance call Lee Casebere at 317-843-8379 (H) or 317-441-1365 (C).	<u>Delivery Dates</u> Saturday September 17 (10 AM-5PM) Sunday September 18 (1- 5PM)
Gate attendants will give directions to the Earth Discovery Center, 5901 Delong Rd.	Indicate you are an Images of Nature artist at the gate, and you will receive free admission during drop-off, the reception, and pick-up.
Awards and artists' reception: ** See note at bottom of this page regarding a reception.	Friday October 7; 6 to 8 PM ** See note at bottom
Display dates at the Earth Discovery Center, Eagle Creek Park	Saturday October 8 – Sunday October 23
Pickup date at The Earth Discovery Center, Eagle Creek Park.	Sunday, October 23, 3 to 5 PM.

Entries not picked up by 5:00 p.m. on October 23rd at the Earth Discovery Center may be picked up on October 24th during open hours (10AM-5PM). Any other pickup must be arranged in advance with the Earth Discovery Center or the Riviera Camera Club. Unclaimed entries will become the property of Eagle Creek Park and may be disposed of at the discretion of the Park unless special arrangements have been made in advance.

** In hopes that all Covid-19 restrictions will be behind us by October 2022, we expect that an in-person awards and artists' reception will be held as in pre-Covid times. If a new wave of the Covid virus causes another round of restrictions in the September/October time frame, it may require that the reception be cancelled. In that case, further information will be emailed to registered artists as it becomes available.

General Information

Images of Nature is a “nature only” exhibit and competition. All entries must reflect natural settings and situations devoid of the “hand of man” with one exception. **CONTINUING THIS YEAR** – man-made influences will be allowed in the Eagle Creek Park category as long as they are **NOT** the main subject of the photo (see category descriptions). Entries in any other category that include man-made features or influences (i.e. buildings, fences, boats, farm fields and domestic animals or plants) are not eligible and will **NOT** be accepted. All entries must be made from negatives, transparencies or digital files.

The entry fee is \$30 per artist and is non-refundable. Payment may be made by cash or check only; no credit cards. Please make checks out to: **Eagle Creek Park Foundation**. Some entries may not be hung due to space limitations.

You may sell your art at this exhibit. The Park will handle all sales and the Eagle Creek Park Foundation will receive a 15% commission. Prices for each piece of artwork for sale will be listed in the exhibit brochure.

Awards will be given for 1st, 2nd, 3rd place and Honorable Mention in each category, as well as one overall Best of Show. Scoring will be based on impact, composition, technical merit, emotional appeal and presentation. The judge’s decision will be final.

Entry Rules

PLEASE READ THESE CAREFULLY! Entries that fail to comply with these rules and conditions will **NOT** be accepted. The decision of the Images of Nature Organizing Committee regarding qualification will be final.

- You may submit up to 3 photographs.
- The printed area of each photograph must be at least 80 square inches. The outside dimension of each finished piece must not exceed 20x24 inches.
- Photographs must be either matted, mounted and framed or presented in such a way to accept a secure picture hanging wire on the back including canvas prints, metal prints, standouts and thin wraps.
- **Each entry must have a secure picture hanging wire in place. Entries not securely prepared and wired will not be accepted.** Organizers will not be responsible for attaching hanging wires, however, a limited amount of hanging materials will be available for the artist to use if needed.
- Each entry must be clearly labeled on the upper left corner of the back with your name, address, phone number, category and the title of the photography.
- **ABSOLUTELY NO INFORMATION MAY APPEAR ON THE FRONT!** Previous awards and banners must be removed from your entries prior to submission. Entries not meeting these requirements will **NOT** be accepted.
- Images entered previously in Eagle Creek Park photo contests are ineligible for entry. Each of your images must be your original work. However, commercial printing, matting and framing are allowed.

Categories

Both color and black and white images are allowed but will be judged together in the following categories

Eagle Creek Park	Images that have been taken within Eagle Creek Park. Continuing this year for this category only , photos will be allowed that show human influence, but nature must be the primary subject matter of the photo.
Birds	Wild birds only; domestic and captive birds and taxidermy are not acceptable.
Animals (excluding birds and invertebrates)	This category includes mammals, reptiles & amphibians. Wild animals only; domestic and captive animals and taxidermy are not acceptable.
Landscapes	Photos of broadly inclusive nature scenes. Examples include a wooded tract with a stream, rock canyon & a waterfall; a flowery meadow with much sky and mountain peaks in the distance; or an ocean shoreline with a driftwood foreground and distant sea cliffs.
General Nature Images (including wildflowers and insects)	This includes all other natural subjects not covered by the above categories. Wildflowers only; horticultural/domestic flowers are not acceptable. Nature macro shots go here, as well as photos of any number of plants, lower animals (invertebrates) and non-living natural features & materials (soil, rock, water, ice, etc.).

The “Creative” category that was part of this exhibit and competition for several years has been dropped due to low entry numbers. That category was meant for images clearly showing creative effects such as textures, pixilation, brush strokes, composite images, infrared, etc. Images that have been altered using methods such as healing brush, minor changes in color and saturation or other adjustments are allowed in all categories of this exhibit so long as the final image appears “natural,” and the alterations are not visibly noticeable to the judges and other viewers.

If you need additional information, call Lee Casebere at 317-843-8379 (H) or 317-441-1365 (C).
